Helpful Hints for Polar Bear Participants

Protective footwear

MUST wear something on your feet, i.e., old tennis shoes or "aqua socks" to prevent cuts on your feet

Warm boots after swim

Have warm/dry boots or shoes to put on once you get out of the lake.

Do you wear glasses?

If you wear glasses, we suggest you obtain a strap to hold them on, or not wear them at all!

Arrive Early

The first plungers hit the water **exactly at noon** – **MUST BE** registered by 10:00am

Savor the moment

Finally, the swim will be over before your goose-bumps know what hit them, so **savor the moment** with your fellow Polar Bears.

Let your creativity shine

Creative costumes are encouraged. Three cash prizes will be awarded for the best costumes!
